Dear

LETTER OF INVITATION AND PARTNERSHIP

Greetings in Christ!

The Catholic Youth Organisation of Nigeria (CYON), Shomolu, is thrilled to announce our upcoming **Youth Funfair 2025: Youth 5G - CONNECT!**, a vibrant event empowering our young people to forge deeper connections in faith and personal growth.

As a vital component of the Funfair, and in our shared commitment to holistic well-being, we are organizing a **Mini-Health Outreach** in partnership with Rev. Fr. M.P. MacLoughlin Catholic Hospital. This initiative will provide essential, quick, and cost-effective health screenings for our youth and the wider community. Tests will include:

- Blood Pressure (BP) checks
- Blood Sugar (Glucose) tests
- Body Mass Index (BMI) assessments
- Malaria tests
- Basic Health Counselling

This crucial outreach is scheduled for **Sunday, August 3, 2025**, and will take place **during all Masses** at the **SS Peter & Paul Catholic Shomolu Car Park**, running concurrently with other Funfair exhibitions.

Given the hospital's invaluable role as our church clinic, your support with medical personnel and necessary equipment for these screenings is essential to the success and impact of this community-focused event.

We kindly request your full collaboration and coordination to ensure a seamless and impactful outreach. Should you have any questions or require further information, please feel free to reach out to Anthony Akujobi at 09026134966 or Henry Ozogobamchi at 08144001908.

We eagerly anticipate a successful and health-focused Funfair, strengthening both faith and well-being in our community.
